## Commercial Wholesale Web Portal

This portal provides a single location to obtain the following information:

- Vehicle Speed and Volume Traffic Data
- Closed Circuit Television (CCTV) Video Images.
- Changeable Message Sign (CMS) Traffic Messages posted on electronic variable message signs
- Lane Closure System (LCS) Data
- Roadside Weather Information Systems (RWIS) Weather and Fog Information

For more in depth information on each area please [view our information page.](#)

<input type="text"/>	<input type="button" value="search"/>
<input type="button" value="My CA"/>	<input type="button" value="This Site"/>

# Policy

---

- Caltrans maximizes the widespread distribution of its traveler information so that travelers can make informed decisions about their travel.
- Travelers making the best choices for their route, time of travel, and mode of travel work with Caltrans to maximize the efficiency of the entire transportation system.

# Business Case

---

The CWWP provides commercial/media Information Service Providers (ISPs):

- Access Caltrans dynamic traveler information feeds
- With equitable access to all
- At no charge for the data
- So companies can integrate Caltrans data with other road, transit, special events, and other data
- And develop high quality products and services for many markets and target audiences
